**Bengaluru:** CID has filed a chargesheet against 'godman' Swami Nithyananda in Ramnagaram court. The investigation agency claims that other than the two women, Nithyananda also had sexual relations with a male foreigner. Apart from Karnataka's Bidadi ashram, he had unnatural sexual intercourse with the man across many cities in the US.

The chargesheet alleges that the evidences hint that Nithyananda was embroiled in unnatural sex acts. The identity of the male foreigner has been kept a secret. CID had interrogated the man and taped these conversations which will be produced as evidence before court.

As per sources, this is the first time in the Nithyananda scandal that a male disciple has come forward to levy charges on the godman. The complainant who is in the US currently alleged that Swami sodomised him atleast 6 times in his charges. Police have registered a case under section 377 of IPC.

Swami refused to comment on the subject saying he would only react when he received a copy of the chargesheet and expressed disappointment over the fact that the issue was leaked in media.

Swami Nithyananda's real name is Rajashekhar and he is an inhabitant of Tamilnadu's Thiruvanamalai. He has ashrams at both Thiruvanamalai and Bengaluru. And it was here that his sexual escapades were caught on camera.

Even Sanyasi's are human: and sex is a basic need. Hinduism never mandated celibacy on sadhus/ godmen. So please leave the guy alone; as long as it was not "rape"

Very poor reporting. The name of the place is Bidadi and not Beadi. Secondly, you have mentioned his place of birth as Tirunamalai and as Tirumalai in another place whereas it is Tiruvannamalai. Can your reporters not even get such simple details right?

I dont want to get into whether the newspaper is right or wrong. But I am waiting for the day when any national newspaper in the country will have the guts to print anything like this for a mulla or bishop. Come one guys, dont tell me this happens only in Hindus. But newspapers cant afford to do it. Because only Hindus can tolerate this. Try publishing this crap even for the most corrupt mulla or a bishop and see the newspaper offices \*\*\*n. Fine, but at least than dont lable us Hindus as hardliners or intolerant. If even 1% Hindus were hardliners or intolerant, this newspaper's office would have been up in flames by

Hindus will tolerate this, but you won't. Hindus do not consider these guys as god man or symbols of hinduism. But people like you have already submitted yourselves to the feet of these ungodly "GOD MANS" and as usual your religious intolerance and hatred towards others religions \*\*\*sts out.

A true Hindu is never support such a people nor follow it which is wrong. By expressing such things you are showing that you are a hardliner and a intolerant person. The person who cheated so many people and enjoyed his life and pretended to be a miracle worker should be condemned for his acts. I speak as a true Hindu who follows the religion seriously. No religion teaches us to fight. All the religions teach us love and brotherhood. Let us do that and live peaceful. After all we are not going to be here for ever and tomorrow you will be judged on your acts and not on appearance by God. So fear God and not man.

The allegation is that somebody( anonymous) was \*\*\*d by Swami 6 times. It is funny why he waited to be \*\*\*d 6 times ! After the first, he could not have got paper and pen to write the complaint or there was no police station in Tamilnadu or other place where the incident occured Aswin I. Gurgaon

Perhaps, he was enjoying the unnatural sex.

No one knows the truth. But it is hard to believe a person who had sex with multiple women having sex with multiple men. There is something wrong here. Also homosexual is not common in India. But it is prevelant in the west. This kind of allegation is very familier in the west, especially to derogate someone's name. I can't imagin an indian man forcing or raping a western well built man. Something is going on here. It is time for Hindu organizations to wake up and protect phylanthropists and kind people who are helping humanity. Imagin what if Swami Nityananda is really innosent and some anti social elements or organizations are behind this? This will keep the today's youth and men away from holy men or they will start not believing in and will become athiests.

Also looking at the photograph it may appear that the lady in picture has a close physiscal contact with the guru. But interestingly she is doing that in front of other people visible in the background in the photo. The delution is because of the age of Swami. But she is at the feet of the guru. Swami is in blessing posture. Her relationship could be of father and daughter. It is again in the eyes of the beholder. There are saints who hug the devotees. There are devotees with immense devotion to many swamijjis. The news media many times makes it full of masala.
