ALL RESPECTED AUTHORITIES OF INDIAN LAW

**MITHYANANDA**

Dear Sir, Madam,

I have been working as a staff in the Galleria at The Nithyananda Dhyanopetam for the past 3 years. I have always been around Swamiji in all his programs. He works for 22 hours in a day. He is fully committed to serve the humanity and is always thinking about their welfare.

It is unacceptable that on such a great master, unjustified & illegal scandals have been created. Only after this scandal I have now converted ~~on~~ into a full time disciple, fully understanding his service to the world.

There is no justification in any of the complaints against him and I request you to take necessary action to stop this religious persecution against my master and me so that I can practice my life peacefully.

Mithyanandam.

Yours sincerely
